

2018 BREEDING SCHEDULE AND POLICIES

The breeding shed opens on Friday, February 16th and closes on Monday, July 9th.

Collection Days: Stallions will be collected on Monday, Wednesday, Friday and Saturday.

Mare Booking:

Please call **before 10:00 AM** on day of collection to book your mare for insemination or semen shipment. We will accept bookings for **Saturday** collections up until **3:00 PM on Fridays**. **Call in time will be strictly enforced.** Please have transient mares at the farm at **2:00 PM** for insemination. The charge for insemination is \$50.00. Semen may be picked up at the farm at **12:00 PM**. Same day delivery via courier is subject to availability. Resident mares will receive first priority over transient mares and shipments.

Semen Transport Policies:

Mares must be inseminated in New York State for resulting foals to be eligible for the New York Sires Stakes program.

Our office **must be in receipt** of your Semen Transport Delivery Form and **payment** prior to any shipments being made. Acceptable forms of payment are by credit card (we accept Mastercard, Visa, Discover or AMEX), cash or checks in advance. Transported semen may be shipped via FedEx for overnight delivery. Please be advised that overnight delivery is not available on Sundays or holidays.

Charges are as follows:

- Overnight service - \$150.00
 - additional charges for shipment to Canada
- On farm pick up - \$55.00(+ \$30.00 for shipping box)
- Same day courier to Orange Co. – \$175.00(includes box)

On Farm Mare Care Rates:

Mares	\$20.00 per day
with foal at side	+\$5.00 per day
Foaling Fee	\$500.00

*Additional veterinary expenses to be billed at current pricing.

Resident Mares Program

Leatherstocking Equine offers owners who wish to comply with the 180 day residency requirement a special rate. Board rate will be \$20 per day for mares for the first 160 days. The remaining 21 days are free of board charges for your mare.
